*Sun my sail and moon my rudder as I ply the starry sea, leaning over the edge in wonder, casting questions into the deep. Drifting here with my ship's companions, all we kindred pilgrim souls, making our way by the lights of the heavens in our beautiful blue boat home.*

*I give thanks to the waves up holding me, hail the great winds urging me on, greet the infinite sea before me, sing the sky my sailor's song: I was born up on the fathoms, never harbor or port have I known. The wide universe is the ocean I travel, and the earth is my blue boat home.*

### UUA Principles and Covenants

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

1. The inherent worth and dignity of every person;
2. Justice, equity and compassion in human relations;
3. Acceptance of one another and encouragement to spiritual growth in our congregations;
4. A free and responsible search for truth and meaning;
5. The right of conscience and the use of the democratic process within our congregations and society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part.

[8. Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.]\*

*\*The Unitarian Universalist Association is in the middle of a process to potentially incorporate some version of this statement into the UU Principles. During this interim period, UUCF is one among a growing number of UU congregations who have committed to living out this proposed 8th Principle at the congregational level. For more information, visit [8thprincipleuu.org](http://8thprincipleuu.org).*

The living tradition which we share draws from many sources:

1. Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life
2. Words and deeds of prophetic people which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;

3. Wisdom from the world's religions which inspires us in our ethical and spiritual life;
4. Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves;
5. Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit;
6. Spiritual teachings of Earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.

Grateful for the religious pluralism which enriches and ennobles our faith, we are inspired to deepen our understanding and expand our vision. As free congregations we enter into this covenant, promising to one another our mutual trust and support.
